

AMENDMENT TO THE SPECIFICATION – CORRECTION OF TYPOGRAPHICAL ERROR

Please amend page 3, paragraph [0047] of the published application as follows, to correct a typographical error:

This is achieved by configuring the threads on the pin **28** and box **30** of joint **24** such that:

$$\left[\left[1.0 < \frac{\text{joint coefficient of friction}}{\tan(\text{helix angle})} > 3 \right] \right] \quad \underline{1 < \frac{\text{joint coefficient of friction}}{\tan(\text{helix angle})} < 3}$$
